1969 ROUNDTABLE

Volume 9

Lake Lehman High School
Lehman, Pennsylvania

Roundtable Advisors

MISS WILK and MR. ANDRUSIS

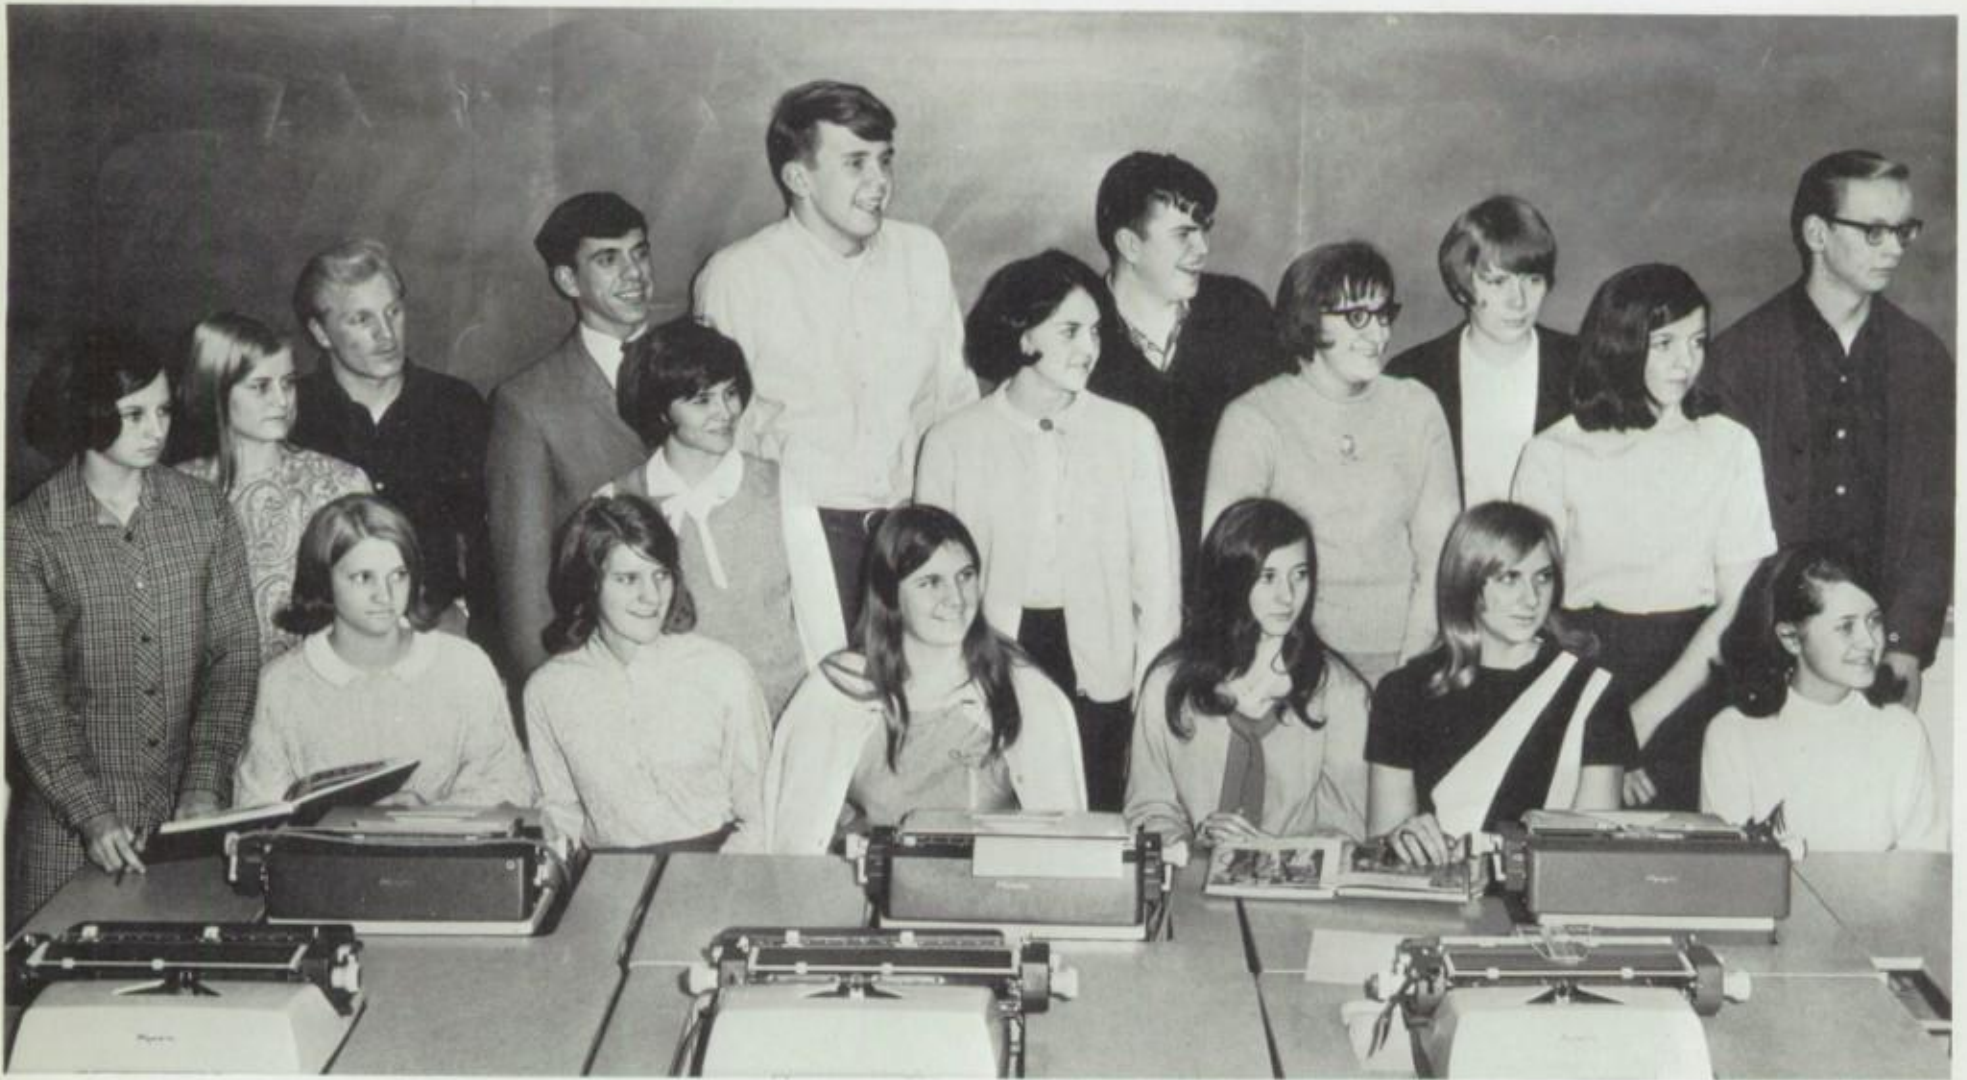

As we, the Class of 1969, prepare to leave Lake-Lehman we can look in retrospect at our time spent here and feel the emptiness that leaving always brings. Within these walls we have found the stepping stones to our future, gained lasting friendships and perhaps discovered a little knowledge of ourselves.

We know we are but another class in the endless tide, but if we have ever accomplished a goal, ever made an instructor feel that his efforts were worth-while then at least we can in some measure feel proud, knowing that we cannot call our stay here fruitless. A vital part of our lives remains at Lake-Lehman and a portion of our spirit we hope will never desert these halls.

Our only tribute, our claim to the past lies in this, our Roundtable and in the memories that can never leave us.

We hope that we have served well and that we have set an example for others to carry on as we bid a farewell and look ahead to life.

CLASS SONG

As we're leaving you, Lake-Lehman,
Our thoughts all drift,
To fun we have had here within the
walls of Lake-Lehman High,
Together so long.
From the seventh grade to the
twelfth grade
We all were friends
We learned while we each took our
separate part
With only you in our heart.
It was fun those six short years
Through our joys and through our
tears
We were friends
Forever we're friends
We will soon leave you behind
Alma Mater; Lake-Lehman High
We'll be gone
With only the memory.
Grant us happiness and fortune
In years to come
We'll honor your name with a spot
in our heart
For Lake-Lehman High.
It was fun those six short years
Through our joys and through our
tears
We were friends
Forever we were friends
We will soon leave you behind
Alma Mater, Lake-Lehman High
We will be gone
With only the memory
Now the time has come,
We're leaving with tear filled
eye
To all of our teachers, and high
school friends
We whisper - Good-bye.

MR. ROBERT BELLES

Mr. Belles, our supervising principal, has been largely responsible for the efficiency and stability which has characterized our jointure in the past several years. Mr. Belles must oversee all activities within the Lake-Lehman School District and his job, as can be expected, has not always been easy. We believe that Mr. Belles has exhibited all the indispensable qualities of a capable administrator, proven his prowess in the directing of a large scale organization, and it cannot be denied that he has won the respect of the entire student body for himself as a truly exceptional individual.

MR. ANTHONY MARCHAKITUS

Mr. Marchakitus is our principal, who reigns supreme within the realm of the high school. Formerly a history teacher, Mr. March has labored long and well to at last reach the position he now occupies and must be regarded with respect for both his fortitude and his fulfillment of the responsibility which he has assumed. Quick to congratulate and slow to condemn, he has become a symbol of integrity for all who pass into Lake-Lehman, and remains as one of the finest administrators in our area. Mr. March, we feel, must be cited for all the extra time and bits of himself that he has contributed in the interest of both students and the district, and we are proud to acknowledge him here for posterity.

Mr. Zaleskas, our assistant principal and general disciplinarian, is also we believe the finest class advisor that any seniors could be fortunate enough to have. It is he who plans our budget, aids us with expenses and willingly advises on projects which make this final year one of the most memorable of our lives. Mr. Zaleskas, we must note, has been to every senior an example of a man with unimpeachable dignity and unquestionable character. It is he who has given so unselfishly of his time to help us achieve our graduation and our goals.

Coach

"I've got it, I've got it!"

Unsung Heroines

"It's got to make it!"

And the gears turn on!

Muscles flex and another one goes in.

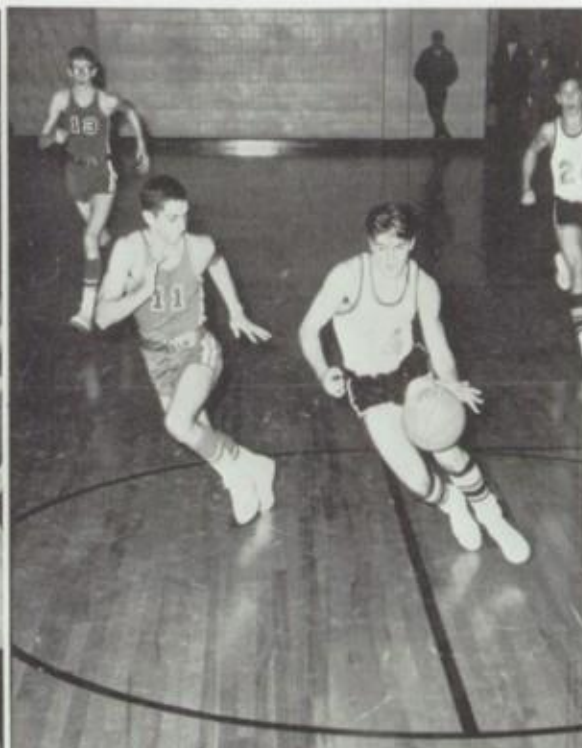

The heck with the ball, let's play patty cake.

Don't be a litterbug, put it in the basket.

Wouldn't Donna K. be good as the frog in the "Frog Prince."

Marchakitus drives down the court like a wild stallion.

Shirley Evans should have tickled her.

And the Foes never got the ball that night.

Our coach told us to reach for the sky.
